Climate neutral through Procurement!

ICLEI and the City of Reykjavik invite you...

to exchange and learn about how **sustainable procurement** can contribute to reducing greenhouse gas emissions and adaptation to climate change.

The conference will present and discuss:

- the importance of sustainable procurement in the global climate debate
- how sustainable procurement can support climate mitigation and adaptation strategies
- improving dialogue between public authority procurers and suppliers
- how sustainable procurement can drive innovation

Endorsers:

Conference Secretariat • ICLEI ITC • Leopoldring 3 • 79098 Freiburg, Germany
